

History - Curriculum Intent

History at Northumberland PRU aims to equip our students with both powerful knowledge and the skills required to become well-rounded individuals. Our curriculum is structured to nurture a love of History through the development of key historical skills and a depth of knowledge.

Students at Northumberland PRU will develop the five key concepts using evidence, interpretations, significance, change and continuity and cause and consequence. Students study a wide range of historical periods and events from 1066 to the present day, therefore the curriculum has been designed to provide PRU students with encounters with some of the most exciting, dramatic and formative events in History. This in turn helps them to make sense of the rapidly changing, and highly diverse world that they live in now.
